INTRODUCTION.

The early Bye-laws and Records of the Borough contain numerous references to the mode of admission to the Freedom of the Borough. The Old Constitutions, which date back to the time of Edward III and were confirmed in the reign of Elizabeth, contain the following provisions:—

“ That none be made Maior, Bayliffe, Sergeant, or Under-Bayliff, except he be ffreeman and sworne to doe his office duely and justley.

“ Also that none shall be made Burgesse within the said Towne except he have dwelled here the space of one whole yeare at the least, within which hys neighbours may knowe his conversacion, manner and behaviour . . . And that none shall make lesse fyne for his libertie to be had, but every freeman's sonne xxs., and every one that have served their apprentishipp within the Towne xxvis. viiid. Every strainger and fforreine Burgesse to pay no lesse fyne than xls. to be admytted to the ffreedom. And that none be admytted without a whole consent.

“ Also that evry ffreeman that takes any apprentice shall enroll his Indentures in the Courte Booke within a yeare and a day after he take the same apprentice upon paine to fforfeit for every default xxs. Also every ffreeman to pay for an enrollment iiis.

“ Also that no fforraigne stallenger be sworne or taken into the Towne without consent of the Maior and 12 head burgesses of this Towne.

“ Also that no stranger shall be suffered to come into this Towne to dwell till thei be allowed by Mr. Maior, his Brethren and twelve of the Comons, to what science or craft they will take to.”

Again in 1652 it was Ordained and ordered—“ That no stranger or fforraigner shall be accepted to inhabit or dwell within this Towne or be admitted or sworne Stallenger unless such stranger or fforraigner doe compound with the Maior, Bayliffes, and Councill of this Towne or such ffoure of the said Councill as shall from time to time be appointed by the

Maior for the time being, what ffine or sune of money they shall pay to the said Towne for such their admittance as aforesaid, provided that such ffine be Three Pounds at the least and not under (gentlemen of quality only excepted)."

Again a century later—October, 1758—

"Whereas by an antient order or constitution of this Borough, it was ordained (amongst other things), that the fine of every person or persons not being Ffreemen's sons or apprentices to be set by four Assessors, to be named by Mr. Mayor and the Bailiffs of the Comons of this Borough, should not be less than Forty shillings and sixpence, and whereas it has been found by experience that admitting Ffreemen at low prices is prejudicial to the real interests of this Corporation:—It is therefor unanimously agreed and ordered that for the future no person or persons to be admitted free thereof, who shall have his fine set by four Assessors, shall be admitted for less than five guineas, and every Order whereupon any fine shall be assessed that shall not amount to the said sum of five guineas, shall, and the same with the return thereof, is hereby declared to be null and void to all intents and purposes, anything in such antient Order or constitution, or in any former useage or custom to the contrary notwithstanding.

"Also agreed that no person shall henceforth be admitted to the freedom of this Borough by apprenticeship, but such as shall duly serve as an apprentice for the term of seven years within this Borough to a Freeman resident therein, and if any action or suit shall be brought or commenced against the Mayor and Bailiffs of the said Corporation for the time being, or any of them by an apprentice claiming his freedom without having duly served an apprenticeship of seven years within the Borough to a Freeman resident therein, that every such action or suit shall be defended at the expense of the said Corporation, and that the said Mayor and Bailiffs shall be indemnified and saved harmless from all costs, charges, damages and expenses, which they, or any of them shall sustain, or be put unto on that account in anywise howsoever."

In the time of Queen Anne a bye-law was passed fixing the fees on admission at twenty shillings for sons of Freemen, and for apprentices twenty six shillings and

eight pence, every other person to pay such sum as two of the Aldermen or Capital Burgesses, to be appointed by the Mayor, and two of the Common Council to be appointed by the Bailiff of the Commons, or the major number of them, shall assess and set down—not being less than forty shillings and sixpence.

Again in February, 1796—

“It is unanimously resolved and ordered that no person shall in future be intitled to purchase the Freedom of this Borough for a less sum than Ten pounds and Ten shillings, and that the Assessors of the Fines of Free Burgesses shall have a discretionary power to assess what fine they shall think proper, not less than the said sum of Ten pounds and Ten shillings, according to the Ancient Usage and Custom of the said Corporation.”

In 1807 it was ordered—

“That for the future no person (not being a Freeman’s son or apprentice) shall be admitted to the Freedom of this Borough by purchase, or on the payment of any fine or composition.”

In 1823 the following bye-law was made:—

“Every person to be admitted to the Freedom of this Borough and Town shall pay the Ancient and accustomed fees, that is to say, every son of a Freeman, twenty three shillings; every one that hath served his apprenticeship of seven years to a Freeman, within the said Borough and Town, Twenty six shillings and eight pence.”

At the time of the passing of the Municipal Corporations Reform Act in 1835, the admission to the Freeman’s Roll was confined to

1. Sons of Freeman.
2. Apprentices to Freeman.
3. Persons who purchased the Freedom.
4. Persons to whom the Corporation, or the Mayor, or either of the two Bailiffs during their year of office, chose to present the freedom.

Sons of Freeman could be admitted as soon as they attained sixteen years and apprentices on the expiry of their Indentures if they were 21.

One result of the Municipal Corporations Reform Act was that by the abolition of the admission of Freeman by gift or purchase the admissions in future were confined to the sons of Freeman, and apprentices to Freeman. Hence while it was possible for an inhabitant before the Act to

become a Freeman by gift or purchase, no one not being the son of a Freeman, or not apprenticed to a Freeman, could, after the Act, obtain admission as a Freeman. And as the circle of those able to obtain admission was thus made smaller, the benefits attaching to the freedom became available only to a corresponding smaller portion of the community.

In the year 1899 a proposal was made to buy out the rights of the Lancaster Freemen and by the Lancaster Corporation Act of that year, all the rights of the Freemen were vested in the Corporation in perpetuity and the class of freemen were extended subject to the following provisions contained in the Act:—

Section 73.

Every male person who—

- (a) Is a son of a Freeman of the Borough and has attained the age of sixteen years; or
- (b) Has served an apprenticeship of seven years to a Freeman of the Borough; or
- (c) Is a native of Lancaster and has attained the age of sixteen years; or
- (d) Is and has been for a period of seven consecutive years a burgess of the Borough;

shall subject to the provision of this Act and to the payments of the fee and stamp duty hereinafter mentioned be entitled to be admitted a Freeman of the Borough. Provided that no person shall be entitled to be admitted a freeman of the Borough under sub-sections (c) and (d) of this section until after the expiration of seven years from the passing of this Act.

Section 74.

The Mayor shall once at least in each year hold the accustomed court for the admission of freemen and shall examine into the claim of any person entitled to be admitted a freeman and on its being established the Claimant shall on paying the fee be admitted and enrolled by the Town Clerk on the Freemen's Roll. Each person who is admitted a Freeman shall pay to the Corporation a fee of ten shillings in addition to any stamp duty payable on his admission.

Section 75.

Subject to the provisions of this Act, the net income of the Marsh shall be applied in perpetuity by the Corporation in manner following, that is to say:—

- (a) In payment in each year of the sum of Thirteen pounds to each of the eighty freemen who are for the time being senior on the Freemen's Roll or to the widow of any such freeman who has either previous to or after the passing of this Act been in receipt of any of the divisible income of the Marsh but not more than eighty persons shall be entitled to receive the said sum if such net income shall at any time be insufficient to meet the said payment of Thirteen pounds to each of the said eighty freemen the Corporation shall pay the deficiency out of the Borough Fund.
- (b) In any year in which there is a balance after making the above payments to apply such balance to the Borough Fund.

No freeman or the widow of a freeman shall become entitled to or continue to receive any payment under this section who has not been resident within the Borough for twelve months previous to the Twentieth day of May of any year in which the income is divisible as aforesaid or who does not continue to reside in the Borough.

Nothing in this Act shall affect any parliamentary or other franchise and every person for the time being receiving or entitled to receive such payment shall be entitled to the parliamentary and any other franchise to the same extent and on the same conditions in other respects as if the said payment were a share of the divisible income of the Marsh as the same existed before the passing of this Act.

The payments under this Section shall be paid on the first day of June in each year after the passing of this Act.

It is worthy of note that Sir Willam Turner, the late principal of Edinburgh University and President of the British Association at Bradford in 1900 was admitted a Freeman of the Borough on the 8th of April, 1848. The late Mr. John Gladstone was admitted a Freeman in 1817-18 and therefore his son, The Right Honourable W. E. Gladstone, was born a Freeman of Lancaster though he never took such freedom up.

The Honorary Freedom of Boroughs Act, 1885, states that the Council may, from time to time, admit to be honorary Freemen of the Borough persons of distinction

and any person who has rendered eminent services to the Borough. Under these conditions the following have been admitted Honorary Freemen of the Borough on the dates shewn:—

Sir Thomas Storey	Admitted	3rd November, 1887 (Died 13 Dec., 1898).
Thomas Swainson	do.	23rd September, 1891 (Died 23rd Dec., 1893).
(Town Clerk 1858-1892.)		
General Sir Archibald Hunter	do.	31st January, 1899.
James Mansergh	do.	24th March, 1903 (Died 15th June, 1905).
Sir Norval Watson Helme	do.	31st July, 1922 (Died 6th March, 1932).
Herbert Lushington Storey, D.L., J.P.	do.	5th November, 1930 (Died 26th April, 1933).
The Lady Ashton	do.	16th September, 1932.
The Rt. Hon. The Earl of Derby	do.	1st October, 1935.

The present writer holds, it is believed, the unique position of being an ordinary freeman of three places—

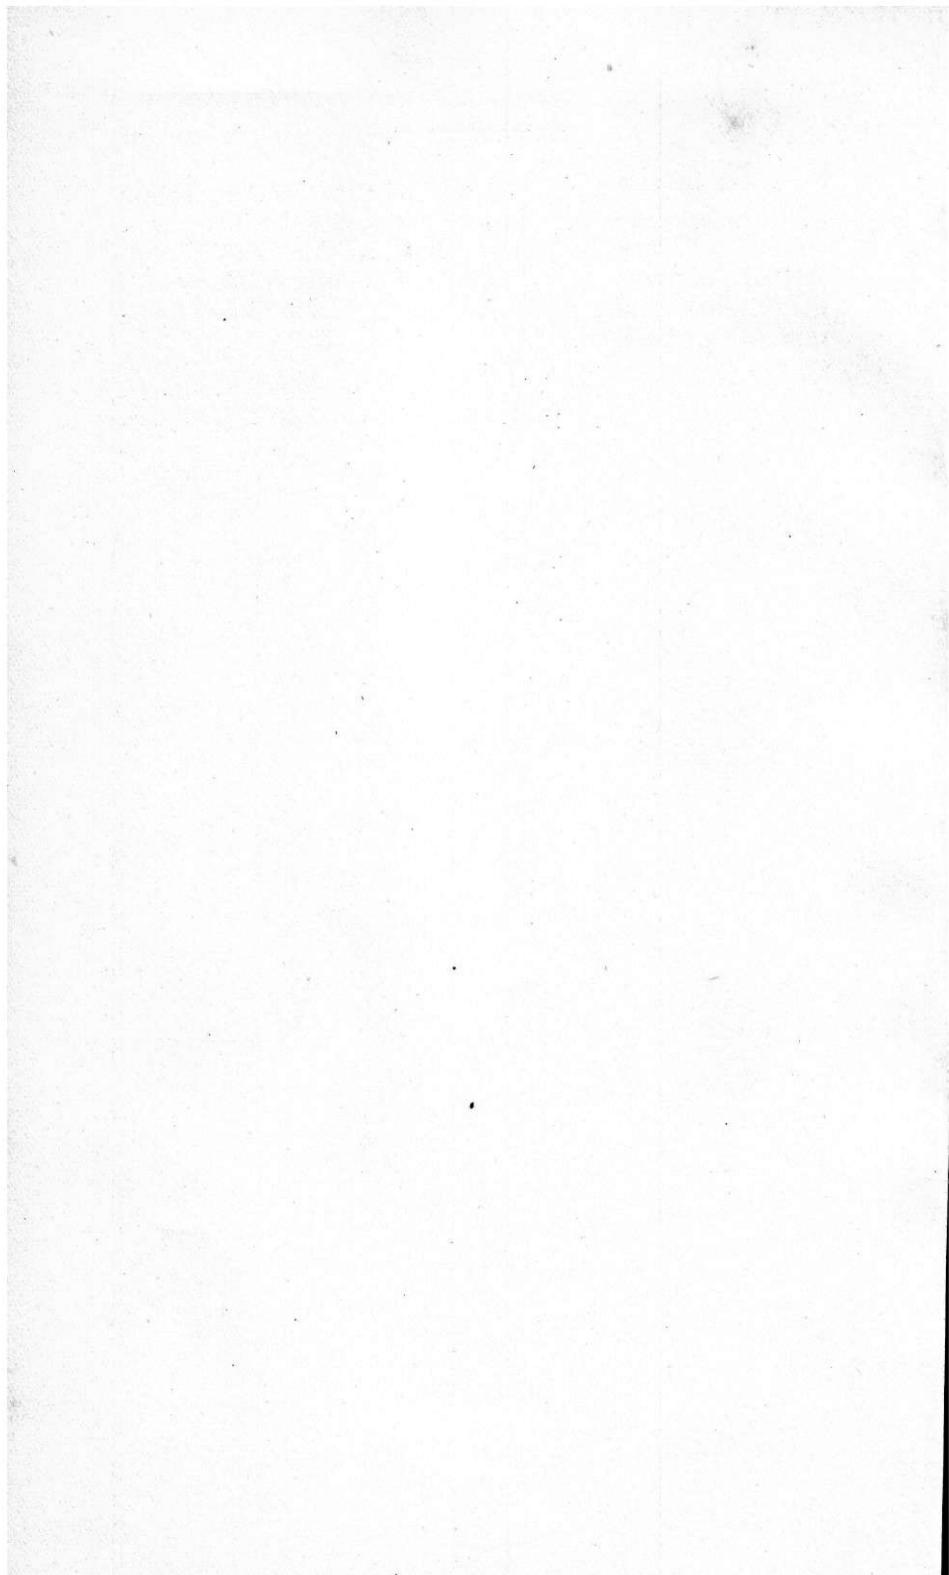

1. Of the City of Chester by birth admitted 12th of January, 1882.
2. Of the City of London by redemption admitted 16th of July, 1907.
3. Of the Borough of Lancaster admitted on the 18th September, 1920.

I am greatly indebted to the Report on the Freemen of Lancaster, prepared for the Corporation of this Borough by my late predecessor, Mr. W. O. Roper, F.S.A., for some of the information contained in these notes.

Some time before I retired from the Town Clerkship in September, 1922, Mr. John Peter Smith employed the late Mr. W. B. Kendall to copy the lists for him, and from these copies the following lists have been compiled. I have carefully checked Mr. Kendall's copy against the original records, and at Mr. Smith's request (as the very last act of my work as Town Clerk) compiled the preceding notes as the preface to the volumes now issued by the Society. Mr. Kendall's work was done very well indeed and antiquaries must be grateful to him for the way in which he did the transcribing.

Very warm thanks are due to the Lancaster Corporation for permission to print their records, and to Mr. R. M. Middleton (Town Clerk), Mr. G. A. Wilson (Chief Clerk), and all the Town Clerk's staff, and to Mr. G. M. Bland, F.S.A. (Borough Librarian and Curator), and all his assistants for much help.
